## *Care for Kids Campaign*

### **Let's Make a Difference Together...**

We realize that the future lies in our youth. Buy or sell your home with Cavan Realty and we will donate a portion of our commission to both Children's Memorial Hospital and the Neighborhood Boys and Girls Club.

For nearly 125 years, Children's Memorial has relied on the support of donors and volunteers to help ensure that children have access to the highest quality medical care.

Neighborhood Boys and Girls Club has been an integral part of the community for 75 years. NBGC offers a diversified athletic, social, recreational, cultural, computer, tutoring, leadership and scholarship program for boys and girls.
